

# T1A2 - PORTFOLIO

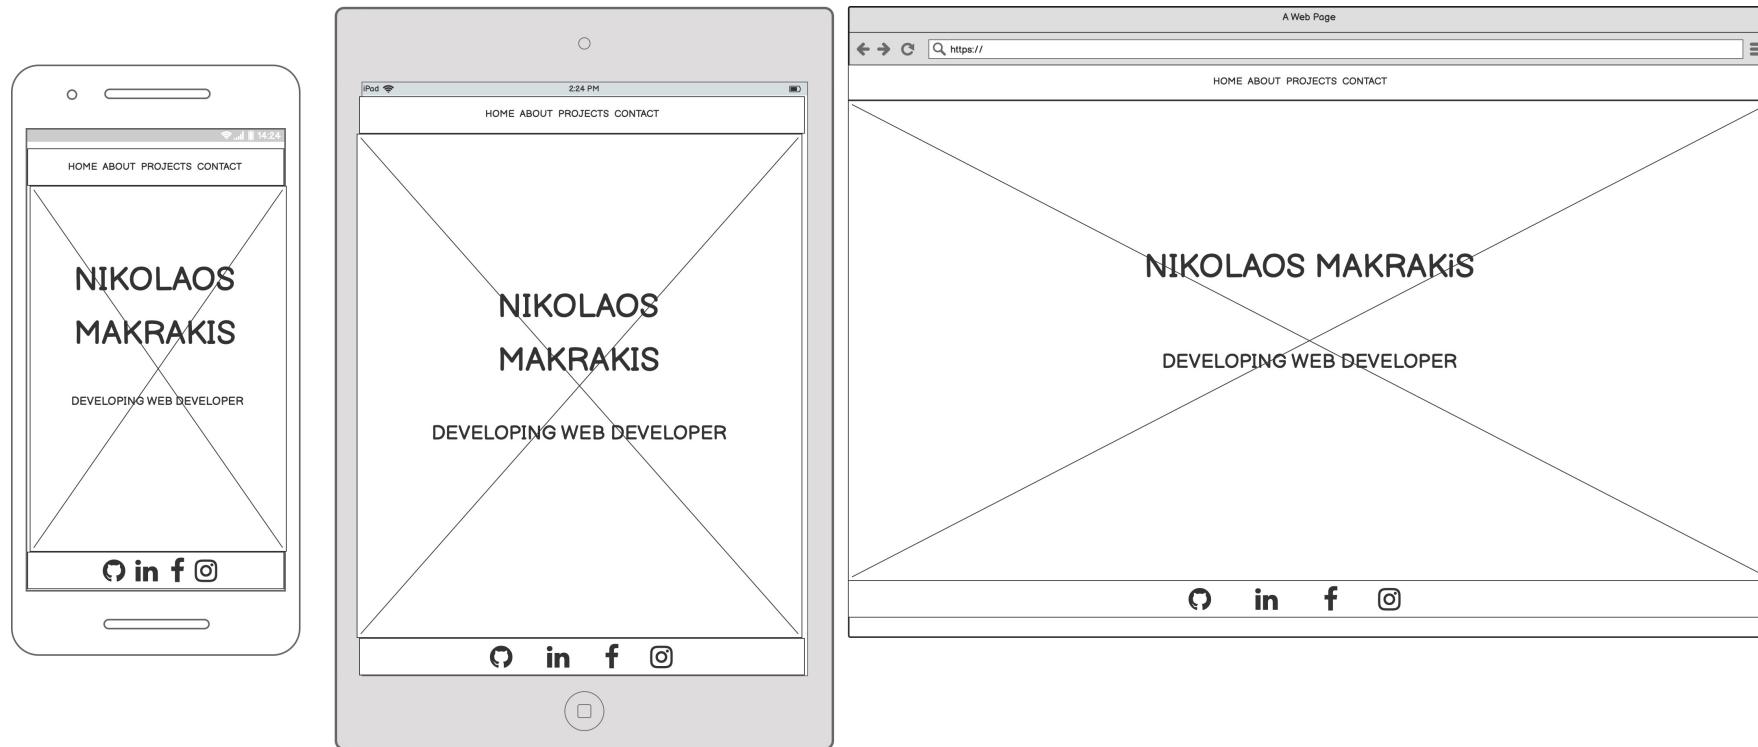

NIKOLAOS MAKRAKIS

# SITEMAP

# HOME PAGE

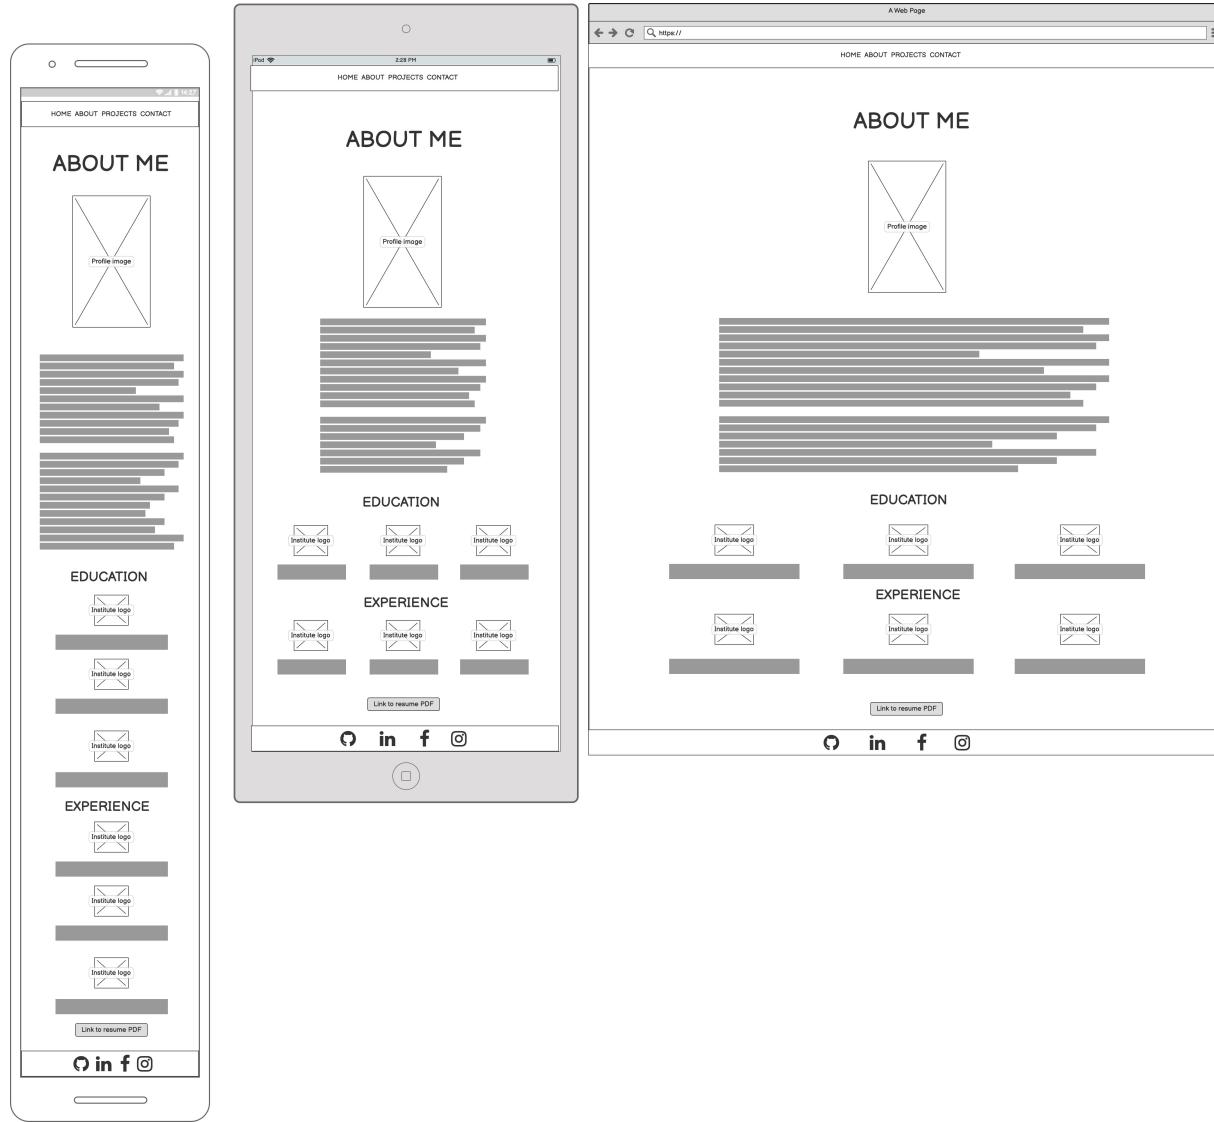

# HOME PAGE

- Background image with an overlay to allow for the text to stand out.
- Nav-bar stuck to the top with all the links to the other pages.
- Footer stuck to the bottom with links to my socials.

# ABOUT

# ABOUT

- Dark background with white text to flow with the colors of the other pages.
- Profile image that shows that while I am a professional I am also fun.
- Education & Experience has a different background to show that it's a different section.
- Goes from single column to three columns when on a larger screen.
- Components set with an image to show the logo of the institutes.
- Button at the bottom that downloads my resume.
- Footer stuck to the bottom.

# PROJECTS

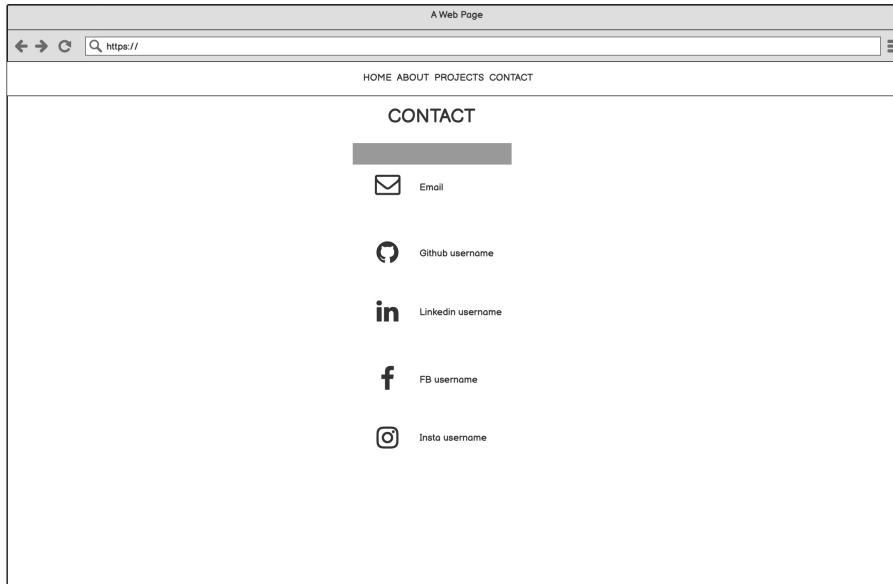

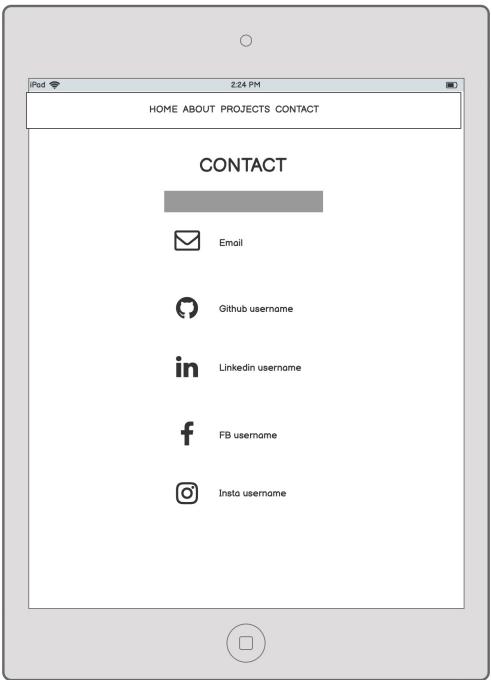

# PROJECTS

- Dark background with white text to flow with the colors of the other pages.
- Projects separated by a border to make them “pop”.
- Each project has an image, text, and link that relate to the project.
- Single column on mobile, single column and rearranged on tablet, dual column on pc.
- Footer stuck to the bottom.

# CONTACT

# CONTACT

- Dark background with white text to flow with the colors of the other pages.
- Links with icons for all socials and email.
- Footer removed to avoid redundancy.
